Wildlife Survey and Interpretation Skills: EU work-based mobilities (WSIS:EU)

Working4Wildlife course payment schedule 2019

Once Ambios has accepted your application for the Working4Wildlife course and confirmed your place, you should make an immediate payment via the website for the UK elements of the course.

Erasmus+ funding covers the costs of the mobility as follows:

- All return transport from UK point of departure to the Barn Owl Foundation, Hungary (your hosts)
- Personal travel insurance for the EU mobility
- All accommodation and food at your EU host
- All learning and tutor support at your EU host
- Pastoral support while with EU host

Your UK fee covers:

- UK Webinar and support materials delivery
- Access to on-learning materials and their recognition (1-year to complete the course)
- Supportive learning environment and pastoral support
- Learning and tutor support and recognition of acquired skills
- All food at the UK celebration event

NOT include:

- Travel to/from point of departure in UK for your EU mobility
- Immunisations such as tetanus and encephalitis (if advised)
- Course study books such as bird and mammal I.D. guides
- Personal spending money whilst in UK or EU

Apply for 19 September 17:00 deadline. Price: £295.

You pay the full cost immediately and this secures your place on the course. You may withdraw from the course up to 10 working days before the date of departure and receive 50% refund based on part of the UK course administration fee incurred.

Wildlife Survey and Interpretation Skills: EU work-based mobilities (WSIS:EU)

Terms and Conditions

As a Participant on this course you will be expected to:

- **Explore** the learning available during the residential, on-line and during your mobility
- **Establish** a Learning Agreement with the sending Organisation and the host organisation to make the intended learning outcomes transparent for all parties involved
- **Comply** with all the arrangements negotiated for the training placement and to do your best to make the placement a success
- **Abide** by the rules and regulations of the host Organisation, its normal working hours, code of conduct and rules of confidentiality
- **Communicate** with the sending Organisation and host Organisation about any problems or changes regarding the training placement
- **Submit** a report in the specified format, together with requested supporting documentation in respect of costs, at the end of the training placement
- **Attend** a feedback meeting with your sending Organisation
- **Pay** the necessary co-funding fees on time and in full as outlined in the Payment Schedule

The Host organisations will:

- **Foster** understanding of the culture and mentality of the host country.
- **Assign** the participants' tasks and responsibilities to match their knowledge, skills and competences and training objectives as set out in the Learning Agreement
- **Ensure** that appropriate equipment and support is available
- **Identify** a tutor or mentor to monitor the participant's training progress.
- **Provide** practical support if required including a clear contact point for trainees that face difficulties.
- **Check** the appropriate insurance cover for each participant

The Host and Sending Organisations will:

- **Negotiate** a tailor-made training programme for each participant
- **Define** the envisaged learning outcomes of the mobility period in terms of knowledge, skills and competences to be developed
- **Establish** the Learning Agreement with the participant trainee to make the intended learning outcomes transparent for all parties involved.
- **Establish** appropriate communication channels to be put in place during the duration of the mobility and make these clear to participants
- **Agree** monitoring and mentoring arrangements
- **Evaluate** the progress of the mobility on an on-going basis and take appropriate action if required
- **Arrange and document** the assessment of the learning outcomes, picking up on the informal and non-formal learning where possible. Recognize learning outcomes which were not originally planned but still achieved during the mobility.
