Ambios 2027 Residency

Application Form

Thank you for your interest in our Ambios Residency.

In 2027 we are offering **three residential places** for people who want to live and work within a working nature recovery organisation.

The residency is voluntary, with **food and accommodation provided**. Residents will contribute across the farm, livestock, nature recovery projects and residential programme, working alongside the Ambios team and project officers.

There is also the option to join the **Level 3 or level 4 Diploma in Regenerative Land-Based Systems** with the Apricot Centre.

We are interested in **who you are, what motivates you and how you work with other people**. You don't need to have lots of previous experience or qualifications. Please answer the questions in your own words — there are no right answers.

1. About You

Name -

Email -

Phone -

Where are you currently based? -

Would you be able to start the residency in January 2027? -

Are there any periods during 2027 when you would not be available? -

2. Why Ambios?

Why are you interested in an Ambios Residency?

Tell us what attracts you to Ambios and what you are hoping to learn, experience or explore during your time with us. *(A few sentences is fine)*

Nature | Recovery | Training

3. Your Interests

Tell us about your interest in nature recovery, farming, land management or regenerative approaches.

You don't need previous experience. We are interested in what motivates you and what you would like to learn more about. *(A few sentences is fine)*

4. Getting Stuck In

Tell us about a time when you have had to work hard at something, see it through and take responsibility for the outcome.

It could be work, study, volunteering, sport, a personal project or something else. *(Around 100 words)*

5. Variety & Responsibility

The residency will involve many different kinds of work — from livestock and conservation projects to cooking, cleaning, changing rooms between courses and supporting trainees.

How do you feel about working in this kind of varied environment?

Nature | Recovery | Training

Tell us about a time when you have had to move between different tasks or priorities. (*Around 100 words*)

6. Working With People

Tell us about a team or community you have been part of.

What did you contribute to making it work well? (*Around 100 words*)

7. Hospitality

A big part of the residency is helping create a welcoming environment for trainees, volunteers and visitors.

What does being a good host mean to you? (*Around 100 words*)

8. Living Together

Residents will live and work closely with other residents, trainees, volunteers and staff.

What do you think makes a shared community work well?

Tell us about something you've done that helped a group or community work well. (*Around 100 words*)

Nature | Recovery | Training

9. Practical Experience

What practical experience do you have?

This could include farming, gardening, conservation, cooking, building, outdoor work, working with animals, volunteering, community work or anything else you think is relevant.

What practical skills would you most like to develop? *(Up to 150 words)*

10. Sharing the Ambios Story

Residents will work with our Communications Officer to share stories and photographs from their work and experience at Ambios.

How comfortable would you be taking photographs and writing short pieces about what you have been doing?

Tell us about any relevant experience, if you have it. *(Up to 100 words)*

11. Level 3 Diploma

Residents will have the option to join the **Level 3 or Level 4 Diploma in Regenerative Land-Based Systems** with the Apricot Centre.

Nature | Recovery | Training

Would you be interested in joining the course as part of your residency?

☐ Yes

☐ Maybe — I'd like to know more

☐ No

12. Anything Else?

What else would you like us to know about you?

Is there anything we've not asked that would help us understand you, your interests or what you could bring to the Ambios community? (*A few sentences is fine*)

Please do not send us your CV at this stage

Before You Submit

Please make sure you have answered the questions in your own words.

We are looking for people who are:

Passionate about the land.

Hard-working and dependable.

Curious and willing to learn.

Focused but adaptable.

Kind, personable and empathetic.

Good hosts.

Happy to muck in.

Proud to do things properly.

Thank you for taking the time to apply, The **Ambios team**.
